Switalski-Notte Striders Stride for American Cancer Society

Switalski, Notte and Sterling Heights City Council members team up to raise over \$10,000

(Clinton Township)- State Senator Michael Switalski (D-Roseville) and Sterling Heights Mayor Richard Notte teamed up to raise over \$10,000 for the American Cancer Society at the annual Relay for Life walk-a-thon fundraiser in Clinton Township this past weekend.

“The event this year was a huge success,” said Switalski. “It is truly a testament to the spirit and dedication of the people who participated in this event and donated money in the fight against cancer. The participants fought the rain but the weather could not dampen their spirit and heart.”

The Switalski-Notte Striders unofficially raised more than \$10,900 for the American Cancer Society, surpassing the \$5,000 the team raised last year. The event at Chippewa Valley High School in Clinton Township netted over \$108,000 for cancer research and awareness.

“Cancer is the second leading cause of death in the United States of America and affects so many of our loved ones,” said Switalski. “The fight against cancer is a long and difficult one but with the money raised, it will help us get that much closer to winning that battle.”

The Switalski-Notte Striders team included Sterling Heights’ council members Barbara Ziarko, Joseph Romano, Richard Bracci and Maria Schmidt, as well as Switalski and Notte.
